INDIAN WOOD &
WOOD PRODUCTS

TRUSTED
WOOD SOLUTIONS
SINCE 1980

ABOUT US

Indian Wood & Wood Products has been a trusted name in timber joinery and interiors since 1980. Backed by the Yenepoya Group, we specialize in manufacturing premium door frames, panel doors, furniture, and wooden crates, all crafted to ISI standards. Our advanced vacuum pressure and kiln seasoning treatments ensure lasting durability and termite resistance, while our government approvals reflect our commitment to quality and compliance. From serving prestigious institutions to executing large-scale private projects across India, we combine traditional craftsmanship with modern techniques to deliver sustainable, reliable, and customized wood solutions.

Vision

To be a leading and trusted provider of sustainable, high-quality timber joinery and interior solutions, setting industry benchmarks for craftsmanship, durability, and environmental responsibility.

Mission

At Indian Wood & Wood Products, our mission is to craft durable, sustainable, and high-quality timber solutions that meet ISI standards and exceed client expectations. We strive to blend traditional craftsmanship with modern technology, serving government, institutional, and private projects across India with integrity, precision, and eco-conscious practices.

DOOR FRAMES

At Indian Wood & Wood Products, we manufacture premium-quality door frames that combine strength, precision, and aesthetics. Our frames are crafted from carefully selected hardwoods, vacuum pressure treated, and kiln-seasoned to ensure long-lasting performance and resistance to termites, warping, and decay.

Vacuum pressure treated
& kiln-seasoned for durability.

Tailored to suit project-
specific requirements.

Designed for enhanced safety
in high-security and public spaces.

Smooth, well-seasoned surfaces
ready for paint or polish.

PANEL DOORS

Panel doors from Indian Wood & Wood Products are crafted to bring together strength, durability, and refined design. Using carefully selected timber and manufactured to meet ISI standards, these doors undergo advanced vacuum pressure and kiln seasoning treatments that ensure resistance against termites and long-lasting performance. Designed to complement both modern and traditional interiors, panel doors add a touch of elegance while delivering reliable functionality. With a perfect balance of craftsmanship and technology, they are an ideal choice for projects that demand quality, style, and sustainability.

Vacuum pressure treated & kiln-seasoned for durability.

Tailored to suit project-specific requirements.

Designed for enhanced safety in high-security and public spaces.

Smooth, well-seasoned surfaces ready for paint or polish.

FURNITURE

Furniture from Indian Wood & Wood Products is designed to combine durability, functionality, and timeless appeal. Crafted with precision from high-quality timber and treated with advanced seasoning techniques, each piece is built to withstand daily use while retaining its elegance. From classic to contemporary styles, our furniture solutions cater to diverse preferences and spaces, ensuring comfort without compromising on strength. Whether for residential interiors or large-scale institutional needs, our furniture reflects a fine balance of craftsmanship, innovation, and sustainability.
